

Constant

Need for effective strategy
to close them down.

- 1) Intervens (by Hazel, Phil,
etc - getting written
statements)
- 2) evidence of market -
website with "copies" (so
and off...)
- 3) picket at their offices
in Bedford
- 4) Get "in" into company
- 5) Legal action

No going off "half-cock"
against them: ~~the~~ need DEEP
strategy
